

Birla Institute of Technology & Science, Pilani
K K Birla Goa Campus

JRF position under SERB funded project

Applications are invited for the position of a **Junior Research Fellow** in the Department of **Physics** at BITS Pilani, K. K. Birla Goa Campus, Goa, for an **SERB** sponsored research project titled **Spin-dependence in hyperon production in proton-antiproton collisions: A model-independent theoretical analysis (CRG/2021/000435)**

Principal Investigator: Deepak Narayana Murthy Pachattu

Broad area of Research: Theoretical Nuclear/High Energy Physics

Duration of the project: 3 years

Fellowship Amount (Rs.): As per SERB norms

Accommodation: Hostel accommodation will be provided subject to availability and will be governed by the rules and regulations of the Institute prevailing at the time of joining of the candidate.

Qualification: **Post Graduate Degree in Physics** with at least 60% aggregate. Preference will be given to those candidates who are NET/JRF qualified.

How to Apply: Interested candidates should email their application and curriculum vitae with details of research experience and their research interests to the principal investigator (email: deepakpn@goa.bits-pilani.ac.in) by **6th June 2022**. Only shortlisted candidates will be contacted via email for online/Personal interview to be held at BITS Pilani, K K Birla Goa Campus and no TA/DA will be paid for the Interview.

The selected candidate can apply for the PhD degree programme at BITS Pilani, K. K. Birla Goa Campus (Rules of the PhD programme for BITS Pilani will be applicable).
